NOTES

3 of 50 delivered page(s) carry no document type and are indexed as Unclassified. Those pages are numbered, ordered and delivered exactly like every other page; only the type label is withheld, because the classifier declines rather than assigning a type it cannot support. 3 delivered page(s) carried no readable service date. They appear at the end of the record set rather than being placed in the sequence by guess, and are indexed here in that position.

LEGEND
